

**September 19, 2007 - LOCAL NEIGHBORHOOD WATCH PROGRAMS
FEATURED IN NATIONAL PUBLICATION**

The Neighborhood Watch programs at Grand Court and Leisure Park Towers will be featured in a national USA OnWatch publication during October's National Crime Prevention month. The National Sheriff's Association and USA OnWatch selected these two facilities because they combine the efforts of the Neighborhood Watch and TRIAD programs. Donna Chappell of Leisure Park and Libby Bailey of Grand Court are excited that their facilities will be nationally featured about the work they do to prevent crime and partner with law enforcement to assist in various programs.
